

AQUA BODY 776 BLEND IN THINNER

Technical Data Sheet No 304

Special Blend-in Thinner for AQUA BODY basecoat paint. Suitable for all AQUA BODY MIX SYSTEM shades either metallic or non metallic, whenever blending (fade-out) on spot repairs is necessary.

Contains universal thinner

Fade-out thinner

Colorless

General Technical Description

2-3 light passes

Specially formulated thinner/reducer for the fade out of the mist, on borderline areas, during (in case of spot repairs).

Surface

Specially formulated thinner/reducer for the fade out of the mist, on borderline areas, during (in case of spot repairs).

After you are done with the spot repair, charge AQUA BODY 776 BLEND-IN Thinner, into the spray gun (**do not clean it**).

Apply on the spot. Follow a two step process:

Pretreatment / Cleaning of substrate

No pre treatment necessary.

Make sure the surface is air dried rather than wiped dry

Make sure you always use appropriate face protection and good ventilation

Product Application:

Mix 10-20% of the 776 thinner with the ready made paint just before the final mist is applied.

Always wear protective equipment

Apply the final mist of the colour shade on the outline of the repaired area.

Follow the application instructions mentioned in this TDS

Leave 10-15 seconds flash

Immediately apply again AQUA BODY 776 BLEND - IN THINNER.

Note: Paint procedures should be followed accordingly in order to fix a spot repair. Fade out thinner should be used on the ready thinned paint by adding approximately 10-20% of the product in the spray gun in order to apply the final coat.

Flash Point:
20°C / 68°F

Specific Gravity:
1.01g/cm³

Solid Content (No thinner):
16% Weight

VOC (2001/42/EC)
-

Theoretical Coverage:
-

Remarks:

- Always try to use the product in accordance with the specifications provided.
- It can be used by countries that do not adopt the VOC legislation as well.
- Shake thoroughly before use.
- Optimum operating range 10-25°C

Storage shelf life:

- Store in a cool place and use within 12 months for best results. Guaranteed shelf life of 24 months in unused original containers.
